WORKING EVERY DAY TO OFFER YOU A RANGE OF FURNITURE THAT IS INCREASINGLY EFFICIENT, AESTHETIC AND ENVIRONMENTALLY FRIENDLY.

OUR COMMITMENTS to offer you a unique experience:

EXcellence
in FRENCH MANUFACTURING,
with premium materials and quality finishes.

This local approach helps to **reduce our carbon footprint**.

EXacting
in SERVICE QUALITY,
Our team stands out for its responsiveness, efficient stock management, and a design office that listens to your needs.

In 2025, this approach will be certified by th**e ISO 9001:2015 standard**.

EXception
in our PRODUCT RANGE,
with a wide range of beautiful products to suit all budgets.

We are committed to offering you **elegant and practical solutions**.

EXperience THAT IS LONG-LASTING,
our products are designed to last and are made from **recyclable materials** such as wood, steel, stainless steel and aluminium.

The acrylic glass used comes from the recycled circuit, adding to our commitment to the environment, and is fully recyclable.

AXEOS OFFERS

1 **WIDE RANGE OF STANDARD AND CUSTOMISED PRODUCTS**

2 **CONSULTING AND EXPERTISE**

Enhances the qualification of projects thanks to our expertise and defines the model adapted to your needs with support from a qualified team from beginning to end

3 **DESIGN DEPARTMENT**

Projects can be enriched with plans and customised 3D visuals. A genuine decision-making tool

4 **INTEGRATION**

Both global and synthetic analysis of the use of technologies for unobtrusive integration into the furniture, while optimising maintenance

5 **FRENCH MANUFACTURE**

Mastery of metal and wood manufacturing from A to Z, based in Normandy

6 **INSTALLATION**

For complex projects, our team of carpenters or technicians carry out the installations for a perfect result.
